Specialization Subjects

- Digital Libraries
- Information Resources, Systems and Services
- Fundamentals of Information Technology
- Data Communication and Networking
- Technology for Information Management
- Information Retrieval Systems
- Information Technology Skills

Interested Research Areas

- Automation Library
- Content Organization (DDC)
- E- Resources
- Information Technology Skills

Subjects Taught

- Information Retrieval
- Managing Information and Information Centre
- Information and Society
- Operating System
- Research Methods and Project Management
- Information Organisation
- Data Communication and Networking
- Operation Management-Enterprise resource Planning(ERP)
- Organising Information Resources

Professional IT Skills

Library Management Systems:

- Well versed with software's like NewGenLib, LIBSYS, LIBSOFT, KOHA, completely automated the library activities with NewGenLib software. Bar coding system also installed and implemented with respect to Barrowers' card, issue and return of books and CDs.
