Few work/write book:		All books I wrote in Indonesian Language, only one in English
1. Pañca Dhatu, Atom, Ātman and Animisme		This book describe about correlation among many concepts in science. This fact that all knowledge base on one source that is God
2. Sisywa Sista		The guideline for the students have to become a good conduct
3. Brahmanvidya – Teologi Kasih Semesta		This book describe that Theology must free from claim and the theology must guide for everyone to reach the God whatever their faith. The theology is a universal knowledge
4. Esensi Bunyi Gamelan Dalam Prosesi Ritual Hindu		This book describe that the structure sound in Balinese orchestra music construct from <i>Prakempa</i> manuscript that every viz of their sound connected with one god. So, the Balinese orchestra it same than Technology of Theology

5. Kosmologi Hindu	This book explain that the all thing in the universe is one and has correlation one and the other
6. Acarya Sista	This book as guideline for the teacher and lecturer have to good conduct because they are as figure of public
7. Teologi Sosial	This book describe that society actually is one, this is come from God, so the all people must respect one and others
8. Ratu Bagus and His Eksotis Energi	This book describe that Ratu Bagus (one Guru in Bali) has exotic energy and capable to invite orb when he meditation by the new system its call "Bio Energy Ratu Bagus". The evident data tike by the camera digital and others tool.
9. Meditasi Bio Energi Ratu Bagus	This book is a result research in <i>Ratu Bagus Ashram</i> in Bali for 9 month. This book given conclusion that the microcosmic (human kind) and macrocosmic (the universe) are only one and have correlation one and the other. If microcosmic ill influence to the macrocosmic and otherwise. This available in English
10. Theology	This book explains that the theology every religion is true. So, everyone must respect and no one can ignore it.
11. Filsafat Ilmu	This book " <i>Filsafat Ilmu</i> " its mean "Theory of Knowledge", special for teachers and lecturers must have basic of the Theory of Knowledge, because without it, no teacher or lecture can think objectively.
12. Mengenal Agama-Agama	This book explain that every one better if true understand to other religion but not to comparison one the others. Because religion the essence of religion is belief in God. Good respect between one and others this is mean good practice of religion.
13. Editor and Magazine	I have already journalist in MEDIA HINDU Jakarta (2007 – Now) and every month my article publish in this Magazine
